A child in our community is in trouble and we need your HELP!

Adam Recke is 10 years old and lives in the Lehigh Valley. Like most boys, Adam likes to ride his bike, play soccer with his friends and play a game of catch with his dad. But all of these activities that most of our children take for granted are becoming increasingly difficult, impossible really, for Adam because he has been diagnosed with Niemann-Pick Type C disease (Childhood Alzheimer's).

We, his friends, neighbors and loved ones feel a strong need to help Adam and the many other children affected with this dreadful disease by raising awareness and funding so we can help find a cure.

We reach out to you today in the hopes that you will partner with us in helping to relieve this heavy burden from Adam and his family.

The Easton Area Corvette Club, in conjunction with Farmersville Elementary School, are hosting a benefit cruise on October 12, 2008 (information enclosed) to help raise funds for the "Race for Adam Foundation." We hope that you will help make this event a success through monetary donations or by donating goods or raffled prizes. All donations are greatly appreciated and tax deductible. Monetary donations via check should be made to the "Race for Adam Foundation" and forwarded to: Race for Adam Foundation, c/o Nancy Ringhoffer, 1747 Hamilton Ave, Bethlehem, PA 18015

Niemann-Pick Type C (NP-C) is a rare genetic pediatric neurodegenerative disorder which causes progressive deterioration of the nervous system. It usually affects children of school age by interfering with their ability to metabolize cholesterol. Consequently, larger amounts of cholesterol accumulate within the liver, spleen and brain. This metabolic disorder leads to a series of neurological problems that are ultimately, *until we find a cure*, fatal.

We thank you so very much in advance for your kindness, generosity and support for this precious child.

If you have any questions or would like to make a donation, please contact Nancy Ringhoffer at e-mail nringhoffer@bethsd.org.

With Love and Hope,

The Corvette Club Committee
